Dear Committee members of the finance and Revenue Bonding Commission,

I, Henry Han, owner and operator of the Han's Dynasty located at 20 Mechanic St. Pawcatuck CT 06379 fully support and endorse House Bill 7054 regarding support of Keno here in the State of Connecticut.

Having Keno will enable me to continue being competitive with Rhode Island Lottery Keno Retailers, which are less than ¼ mile away from my place of business.

This loss of Keno activity has been continuous since Rhode Island introduced Keno. Your consideration and support of this Bill #7054 will be greatly appreciated by Asian Market and other retail stores. Again I thank you for your consideration.

Sincerely,

Henry Han, Owner
